**Public Comment:**

- There was no public comment.

**Correspondence:**

- There was no correspondence.

**Old Business:**

- ARPA Minimum Allocation Grant – There will be a public hearing on Monday, May 15, 2023, to go over the environmental review checklist. Once that is complete, we should get the funding on the grant.
- Montana Rural Waters – water loss. Rick was absent so he will report on this next month.
- Container Site locks – Cliff Tudor stated that the locks were changed and Happy Camper was not given any notice. He would like to have a copy of the key to the new lock as they have to keep up with the garbage at the RV Park to be in compliance with sanitation issues and the amount of garbage generated at the RV Park is higher volume. Jolene stated that Scot Buerkle came by the office and would also like access to the container site. Scot mentioned the Town should get cameras and a key pad like they have at the gun range. Mayor Thielen did not want any copies of the key going out, especially with there being problems with cutting the lock. Mayor Thielen also stated that there will be equipment stored there in the near future so it is best to keep the container site secure. Cliff was still concerned about the garbage piling up at the RV Park. Jolene told Cliff to stop by the office and she would go to the container site with him to give him access to accommodate him. Cliff requested that Jolene provide Happy Camper with something in writing to post at the RV site stating that this would be the procedure. Jolene will email him something he can post.

**New Business:**

- Update addresses – Jolene is working with DES and Fallon County to update and make sure the addresses are correct and current.
- Zoning Commission – with Vivian Panasuk passing, there is an opening on the zoning commission. Jolene will check with Darcy Wassman and see if there is a conflict with having someone on both the council and zoning commission.
- Container site/Bulk water weed control – Mayor Thielen would like to have both sites sprayed with ground clear to keep the weeds down. Jolene will check with Fallon County (Sara Berger) to see if they can spray both locations.

**Department Reports:**

- **Water/Wastewater Operator** – Rick was absent. Mayor Thielen would like Rick to check when the water tank was last inspected when he gets back.
- **Container Site Operator** – Mark stated the other container got dumped.
- **Clerks Report** – Jolene had nothing to report.

**Financial Report—April 2023:**

- The April financial report was reviewed and accepted by the Council.

**Mayor/Council Comments:** Councilwoman Gray wanted to revisit the light in the park issue. After more consideration she felt it would be best to leave the light in the park in case the town ever had an evening event where we would need to turn that light on. The rest of the council agreed.

**A motion was made by Councilman Vennes, seconded by Councilman Franson to amend the previous motion stating that instead of removing the light it should have a separate switch.**

**Aye: 4      Nay:0      Absent: 0      Abstain: 0      Carried: 4:0**

Mayor Thielen will contact an electrician about getting a separate switch for the light.

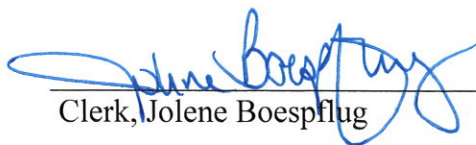

**Approve Claims:**

**A motion was made by Councilman Franson, seconded by Councilwoman Hillard to approve the April claims in the amount of \$4163.13**

**Aye: 4      Nay:0      Absent: 0      Abstain: 0      Carried: 4:0**

**April Claims (\$4163.13) see attached document.**

Having no further business, Mayor Thielen adjourned the meeting at 7:33 p.m. The next regular meeting of the Plevna Town Council will be Monday, June 12, 2023 at the Community Center.
